The diagram illustrates a wire mesh structure with the following dimensions and labels:

- Wire Mesh:** A horizontal rectangular frame with a width of 0.20 meters and a height of 0.60 meters.
- Bottom Edge:** Labeled "VARES" with a dimension of 0.60 meters.
- Top Edge:** Labeled "VARES" with a dimension of 1.00 meters.
- Left Edge:** Labeled "VARES" with a dimension of 3.50 meters.
- Right Edge:** Labeled "VARES" with a dimension of 3.50 meters.
- Vertical Labels:**
  - "VARES" is labeled vertically along the left edge at 0.60 m.
  - "VARES" is labeled vertically along the right edge at 0.60 m.
  - "0.20" is labeled vertically at the bottom center.
  - "0.60" is labeled vertically at the top center.
- Horizontal Labels:**
  - "3" is labeled horizontally below the left edge.
  - "1.5" is labeled horizontally below the right edge.
  - "3" is labeled horizontally above the top edge.
- Other Labels:**
  - "VARES" is labeled horizontally near the top center.
  - "0.20" is labeled horizontally near the bottom center.
  - "0.60" is labeled horizontally near the top center.
